Later Medieval Philosophy: An Introduction

by John Marenbon

J. Marenbon, Medieval Philosophy: Introduction Later Medieval Philosophy (1150-1350): An Introduction liked it 3.0 
music for the episodes on early medieval philosophy is a piece. But I think it is important to see him, and also Boethius, as late. Later Medieval Philosophy (1150–1350): An Introduction by John. The intellectual context of later medieval philosophy: universities, Aristotle, arts. This volume provides a broad and scholarly introduction to the major authors.
