Sister Queens: Katherine Of Aragon And Juana, Queen Of Castile

by Julia Fox

Scandalous Women: Book of the Month - Sister Queens by Julia Fox 12 May 2011. The first dual biography of Katherine and Juana of Aragon, based on a comprehensive re-evaluation of the sources. Katherine of Aragon, Henry's sister, was the first queen of King Henry VIII of England. In this book, Fox offers a fresh perspective on the lives of these two royal sisters, who were often depicted as either virtuous or villainous depending on the historian's interpretation.

Katherine of Aragon was the youngest child of Ferdinand II of Aragon and Isabella I of Castile. She married King Henry VIII in 1501, but their marriage was annulled in 1533 due to Henry's infidelity. Katherine was subsequently replaced by Anne Boleyn, and she was later imprisoned in the Tower of London. She was beheaded in 1536.

Juana, the elder sister of Katherine, was married to Philip of Burgundy as a child and later became Queen of Castile. She was known for her love of luxury and her eccentric behavior, which earned her the nickname "la Loca" or "the Mad." Juana was also deeply involved in Spanish politics and was a key figure in the Spanish Inquisition.

Fox's book retells a familiar story in a completely fresh way. It's a gripping tale of love, duty, and sacrifice—a remarkable portrait of two extraordinary women. Sister Queens is a gripping tale of love, duty, and sacrifice—a remarkable portrait of two extraordinary women.
